Valentine's Day Seminar -1099 "How-To"

What else would you want to do on Valentine's day but spend an hour with us! We are hosting a web seminar from 2:00-3:00pm PST Thurs, February 14th on Tips & Tricks to creating your 1099's smoothly and correctly. Even if you have performed this process several times, you may be missing out on some hidden shortcuts & enhancements made to the Dynamics GP product that you didn't know about.

It doesn't matter what version of Dynamics GP you use, this seminar will show you the 1099 process whether you are running the newest version Dynamics GP 10.0, or as far back as versions 7.5, 8, or 9.

We will give you a handout as a take-a-way checklist to process the 1099s on your own. We will also share a product that does elec-

Microsoft Electronic Banking Webcast

Join us on February 21st at 10am PST for a free Microsoft Web Seminar entitled: "Strategically Manage your Cash Flow and Electronic Banking with Microsoft Dynamics GP".

You will see some of the features in the Electronic Banking Series Modules available from Microsoft

Dynamics GP and also hear about the current promotion of "Buy one get one at 30% off"!

This is a great webcast to specifically learn about the features of Electronic Funds Transfers (EFTs) for Payables and Receivables, Electronic Bank Reconciliation, Safe-Pay (Positive Pay) and Lockbox

Processing.

This webcast will be conducted by Microsoft, but you can ask us any questions immediately afterwards by emailing News@BorekBusinessSolutions.com
